Pinnen & adressen

I²C adressen:

US, front left: 0xE0
US, front right: 0xE2
US, rear left: 0xE4
US, rear right: 0xE6
compass: 0xC0

GPIO pinnen:

2: left, reverse
3: left, forward
4: left, enable
5: right, reverse
6: right, forward
7: right, enable
8: button & led 1 (*)
9: button & led 2 (*)

(*) output = LED, imput = button
